

Middle School Scholarship Policy

Parents of students in grades 6-7th can apply for two different types of financial aid for Arizona Youth Camp, which was previously known as Winter Camp, and Summer Camp at UCYC. The two different types of financial aid are the Service Discount and the Needs-Based Scholarship. Please note, in order to qualify for the Needs-Based Scholarship, it is encouraged for a student to first qualify for the Service Discount and then apply for the Needs-Based Scholarship.

Middle School Service Discount

Students in grades 6-7th can earn a discount for AYC and Summer Camp. There are 25 Middle School sports available with awards in the amount of \$200. *Acceptance will be communicated from January 1-15th, 2018.*

Eligible students must meet **BOTH** of the following criteria from August 2018 to December 2018 to receive the discount for both AYC and Middle School:

- A. Regular participation in Student Union's Services and Serving Roles
 - a. "Regular participation" is defined as a student has attended one out of every two gatherings (50%). Attendance is recorded by check-in stations. It is the student's responsibility to always check in to receive credit for their participation.
- B. Serving on a Service Team
 - a. Students serve regularly on one of the following areas: Welcome Team, Worship Team, or Children's Ministry. Involvement in these teams means the student is both serving as scheduled by their assigned group leader and attending the team meetings at their designated time at the attendance ratio as marked above.

Needs-Based Scholarship

Parents must fill out the attached form fully, located on the next page, and submit it to David Hughes (dhughes@mountainpark.org) to apply for this scholarship.

All requests will be kept confidential. Although we encourage students to meet all above criteria, exceptions are made and we approve scholarships on a case-by-case basis.

AYC Scholarship forms will be accepted thru January 15th and will be granted, at the latest, on January 16th, 2018.
